Reminders from the Office

ELAC Meeting

Next **Thursday, Jan. 31st at 2:45**, we will hold an ELAC, English Language Advisory Committee, meeting at Vencil Brown. Mrs. Kissick and Mrs. Hopkins will be informing the group about the current English Language assessment and helping explain and discuss the results that the parents may have received. We look forward to seeing you on the 31st.

"Totally Tubular" Father Daughter Dance

Far Out Dude!

Friday, February 1st 6:30-8pm in the Den
Open to any adult chaperone.

Please join in some great memories with your daughter.

\$20 advance per couple-before January 30th
\$10 per additional person
\$25 at the door

Pre Party at Mountain Mikes at 5:00-6:30

We are in need of volunteers for the Dance. Please help us make this a successful event. Please click the link below and sign up.

We thank you in advance for your help.

New and Returning Student Registration for the 2019-2020

Now Open!

Here is some information to help with your registration.

1. Kindergarten: if they have reached 5 years of age on or before September 1, 2019
2. Transitional Kindergarten: if their 5th birthday falls on or between September 2 - December 2, 2019
3. For new students already attending Vencil Brown, notices went home with log in information for your student (s).
4. If you set up an account last year, please use the log in you created last year and update the information as needed.
5. Registration is also open for students that have never attended Vencil Brown.
6. **Please** register even if you are not sure about returning to Brown or if you are moving onto middle school.

Please register soon as your registration will provide us information for the next school year. Please click the link below to register.

[New and Returning Registration link](#)

Intra/Inter District Transfers

Open enrollment began January 4, 2019 and will continue until January 29, 2019.

A few things to know about transfers.

- 1) **Intra**-district transfers get priority.
- 2) **Intra** transfers only have to be completed once, while in Elementary school. When moving onto middle school an **Intra** will need to be completed for middle school.
- 3) **Inter**-district transfers **will need** to reapply annually regardless of their grade level.
- 4) After January 29th, transfers are given a number and handled in the order of when they were submitted.
- 5) Notification of acceptance or denial will be mailed as soon as the determination is made.

What is a Bear Hug?

Throughout the year students are given tickets called Bear Hugs by their teachers, meal duty supervisors and other staff members. Students earn these tickets by exhibiting positive behaviors at school. Some examples of behaviors warranting a Bear Hug include eating a healthy snack, wearing spirit wear, helping staff or other students, picking up trash, following directions, and exhibiting positive character traits.

Mrs. Kissick visits the classrooms and pulls tickets to reward students. Students are rewarded with school supplies, like pencils, bookmarks, erasers and small snacks. Thank you to the Brown PTC for providing the funding for the monthly Bear Hug Drawing.

FREE BOOK GIVE AWAY

Thursday, Feb 7, 2019
3:00-6:00 pm
Downtown Library
225 Taylor St

February 2 is our used book sale. After the sale is over, we always have boxes of kids books that did not sell. The Friends of the Library would like to give these left-over books to teachers for free! Enter at the staff door at the bottom of the stairs on the Royer Street side of the building. There will be someone there to let you in.

If you would like first pick, stop in at the book sale Saturday, February 2. The sale opens at 10:00. Kids books are \$0.50. Adult books are \$1 or \$2. Join the Friends of the Roseville Library and get early entry at 9:30.

We've designed our camp to inspire the whole kid.

First-time
Families

SAVE \$50!

Use code
FIRSTBPOST19

At Camp EDMO™, kids develop their creative capacity, unleash their inner scientist and technologist, and plumb the mysteries of the natural world. They lose themselves in STEAM-infused activities designed in concert with experts from brilliant museums. And there's a deeper level. Ultimately, our camp experience inspires young people to accept themselves and others, push their boundaries with confidence and, most importantly, act with real kindness and compassion. Kids grow on lots of levels.

We develop Camp EDMO's curriculum in partnership with:

A program for every stage of your kid's evolution, from Pre-K through 8th grade

- Camps in Rocklin and two more Sacramento Area locations
- Voted "Best Summer Day Camp" by Bay Area Parent — 10 years running!
- Camp runs from June to August; Monday to Friday, 9am–3pm
- Optional Extended Day from 8am–6pm
- Early Bird Savings — the sooner you enroll, the more you save! Ends 3/31.
- Sliding Scale (financial aid) available
- Accredited by the American Camp Association

Camp EDMO is powered by Edventure More, a year-round 501(c)(3) non-profit enrichment organization. 5% of camp proceeds and 100% of donations support camp scholarships and subsidize the cost of maker-infused science, technology and nature programs in local schools.

First-Time Family Discount cannot be combined with any other First Time or Referral Discounts and is subject to availability. Expires 8/18/19.

The Roseville City School District does not support, sponsor, supervise, or endorse the information, activities, or events posted.

Academic Talent Search

[Information sheet for students and parents]

SACRAMENTO STATE

- ATS offers fun & challenging classes at Sacramento State for students in 4th - 9th grade (grade level as of Jan. 1, 2019)
- More than 46,500 students have attended in the past 37 years • Over \$22,000 in financial aid scholarships and fee waivers were granted in 2018 • ATS is a nonprofit supporting organization & receives no university, state, or federal funding

"ATS is a good way to get extra education that is very different than normal school! They pick out the most interesting and fun subjects to teach about. I will be going back to ATS next summer and if they had it all year around I would go then too!"

-ATS Student

"ATS has definitely made me more interested in attending college. College was always something I just imagined, but now I have an experience to go along with it."

-ATS Student

What is Academic Talent Search (ATS)?

- A unique summer program that allows students to explore in-depth the subjects they love.
- An opportunity to explore potential college majors and career pathways.
- A chance to preview the "college" experience in a fast-paced, supportive environment.

Why should I participate?

- Explore interesting topics with interactive hands-on classes designed to encourage critical thinking, problem solving, and analytical skills.
- Enhance your independence while being treated like "college students" on the Sacramento State campus.
- Gain self-confidence and try out potential career paths while learning in University classrooms and labs.
- Learn from university professors, public and private school teachers, and leading business professionals.
- Discover new academic and creative challenges in topics not always available in regular school.
- Accelerate your learning in traditional subjects. ATS classes feature above-grade-level curriculum. So a class in the 4-5 Program may be covering 8th grade content standards while a class in the 6-9 Program might be completing a year's worth of high school material in 5 weeks.

How do I get involved?

- Be in 4th - 9th grade as of January 1, 2019.
- Take the ATS Qualifying Exam (*College Ability Test*), which assesses your reasoning abilities.
- Current 4th and 5th graders take the "intermediate" level exam.
- Current 6th - 9th graders take the "advanced" level exam.
- Taking the test automatically qualifies you for the program. There is no pass or fail.
- Use your test scores to help determine which ATS classes best match your skills and interests.
- There are classes available for ALL score levels.

Where can I take the test?

- AT YOUR SCHOOL.
- More than 200 schools offered on-site testing last year.
- A \$20 processing fee is payable on the day of the test.
- Check with your school to see if they are offering the exam in 2019.

AT SACRAMENTO STATE

- Students representing more than 200 schools took the test at the University in 2018.
- Testing will be held at Sacramento State in 2019 on January 26, February 2, February 23 & March 9.
- A \$20 processing fee is payable the day of the test.
- Contact ATS to reserve your place.

For up-to-date information about ATS, like us on Facebook! • Phone (916) 278-7032 • Email ats@csus.edu • Website www.csus.edu/coe/ats

SACRAMENTO STATE

Classes

Students take classes grouped by grade level: current 4th & 5th graders take classes separately from 6th-9th graders. (A 4th grader will not be in classes with 9th graders.) Over 100 courses are planned each summer.

4-5 PROGRAM

- Classes planned include:
 - Acting: All the World's a Stage
 - Engineering: Roller Coasters
 - Escape Room Math
 - Introduction to Japanese
 - Making Math Fun: Hands-On Algebra & Geometry
 - Robotics
 - Sketch, Draw & Create: Design Clothes & Costumes
 - and more!

6-9 PROGRAM

- Classes planned include:
 - Acting for Stage and Screen
 - Acting: Comedy & Improvisation
 - Algebra 1 (Fast-Paced)
 - Biomechanics
 - Create & Code Using Arduino
 - Creative Writing: Dystopian Stories
 - Fantastic Fundamental
 - Spanish
 - Hands-On Psychology
 - Introduction to Latin
 - Introduction to TV Broadcasting
 - Japanese (Beginning)
 - Mock Trial: Fact or Fiction
 - Neuropsychology
 - Photoshop: Creating Digital Images
 - Robotics
 - The Science of Logic
 - The Science of Saving Lives
 - and more!

"My daughter had a great time and is looking forward to participating again next year. I appreciate the wide variety of subjects to choose from and the engaging instructors."

- ATS Parent

Cost Overview

Because ATS receives no government funding or tax monies, course fees support the cost of offering the classes. Class fees for Summer 2018 ranged from \$150 to \$450 depending on the length of the course.

4-5 Program 1-week course: \$355

6-9 Program 1-week short course: \$150

1- and 3-week regular classes: \$360

5-week accelerated courses: \$450

*Fees listed are from Summer 2018. 2019 fee information will be included in the ATS Summer Catalog available in late March.

Financial Aid and Scholarships

ATS recognizes that some families' financial circumstances make it difficult to participate in classes. To provide equal educational opportunities for all qualified students regardless of the financial resources of the family, ATS offers testing fee waivers and financial aid for summer classes.

Each year, ATS provides fee reduction scholarships to students from economically disadvantaged families who otherwise might not be able to attend due to costs. Applicants whose family income levels are lowest are awarded larger scholarships than those reporting higher incomes.

Summer Schedule

6TH-9TH GRADE SESSIONS:

Duration	Start/End Dates	Classes Meet
3 weeks	June 17 to July 3*	2 or 3 days per week
1 week	June 17 to June 21	5 days per week
1 week	June 24 to June 28	5 days per week
3 weeks	June 24 to July 26*	3 or 4 days per week
1 week	July 8 to July 26	2 or 3 days per week
1 week	July 8 to July 12	5 days per week
1 week	July 15 to July 19	5 days per week
1 week	July 22 to July 26	5 days per week

* No classes will be held Thursday, July 4 or Friday, July 5

4TH & 5TH GRADE SESSIONS:

Duration	Start/End Dates	Classes Meet
1 week	June 17 to June 21	5 days per week
1 week	June 24 to June 28	5 days per week
1 week	July 8 to July 12	5 days per week
1 week	July 15 to July 19	5 days per week
1 week	July 22 to July 26	5 days per week

Test Sign-Up Form
 & ATS Information

SACRAMENTO
STATE

◆ Congratulations!

Your school is offering you the opportunity to participate in Academic Talent Search (ATS) at Sacramento State. As mentioned on the **Information for Students and Parents** sheet (provided by your school), ATS offers fun, interactive, fast-paced summer classes to 4th through 9th grade students. Our program gives students the opportunity to study in fields like art, business, computer science, engineering, law, and science (as well as other subjects not readily available to students in this age group). Last year, some of our most popular classes included Algebra 1, Introduction to Japanese, LEGO Robotics, Mock Trial, and Neuropsychology. Since 1982, more than 46,500 students have taken advantage of the educational opportunities provided by ATS on the Sac State campus. In 2018, ATS awarded over \$22,000 in financial aid and fee waivers to students.

To be eligible for ATS, all you need to do is be a current 4th through 9th grade student (grade level as of January 1, 2019) and take the ATS Qualifying Exam. Taking the test automatically qualifies you for ATS. The test takes a little over an hour and assesses your academic abilities. Students in 4th and 5th grades take the "intermediate" level exam, while 6th through 9th graders take the "advanced" level test. Good news! Scores do NOT affect your school grades, and there is no "failing" the ATS test- it gives you a measurement of your academic abilities and strengths. Taking the test does not mean you have to attend ATS, but it gives you the **option** to attend these fun and unique classes at Sac State this summer.

Your ATS School Representative (usually the person who gave you this form) can tell you when the test will be offered at your school. To sign up, complete the back of this sheet and return it to your School Representative at least one week prior to the testing date. **On the day of the test, bring the \$20 processing fee with you (fees should not be submitted before the exam).** This fee covers the scoring of your exam and the mailing of your test results directly to your home. If you cannot afford the test processing fee, ask your School Representative about a *Testing Fee Waiver*.

Again, congratulations on being offered this opportunity! If you have any questions, please call the ATS office (916-278-7032), send us an email (ats@csus.edu), or for more information visit the ATS website at <http://www.csus.edu/coe/ats>. We hope you will join us this summer at Sac State!

Lynda Nakamura

Scarlet P. Maurin
Director

Quick Facts...

◆ About the ATS Test

- **ATS strongly encourages students take the test each year because:**
 - ATS will accept your highest scores from the appropriate level of the exam, so there is no risk in retesting!
 - Class placements are made top score down until all seats are filled.

• Testing is also available at Sac State (\$20 fee per student). Contact ATS to sign up for one of these Saturdays:

- January 26, 2019
- February 2, 2019
- February 23, 2019
- March 9, 2019

◆ About ATS Classes

- ATS's wide variety of classes include new topics not covered in regular school, as well as traditional subjects taught at an accelerated level.
- Students gain exposure to a collegiate environment by attending classes at Sac State.
- Participants meet new friends from across the region who share an enthusiasm for learning.
- ATS recommends many classes in the 6th through 9th grade program for high school credit.

◆ Have your parent/guardian complete the back of this form (and have the opportunity to test and join the fun at ATS at Sacramento State!)

Return it to your ATS School Representative (usually the person who gave you this form) at least one week before the testing date.

Don't forget to bring \$20 cash, check, or money order (payable to ATS) to school ON the day of the test. *Please note: Returned checks are subject to penalty fees per University Enterprises, Inc.* If you cannot afford the processing fee, ask your School Representative about a *Testing Fee Waiver*.

Visit the ATS website at www.csus.edu/coe/ats • Email ats@csus.edu • Call (916) 278-7032 • For up-to-date information like us on Facebook!

Why should I take this test?

The College Ability Test can offer valuable experience in taking a college admission-type exam. Test results also help identify special aptitudes to be further developed. There is no risk in testing, as test scores do not affect your regular school grades. The test is designed for older students, so you are not expected to know all of the answers or prepare for the test in any way.

If I have taken the test before, do I have to take it again?

If you are currently in grade 6 or above and last tested as a 4th or 5th grader, you will need to test again to take the "advanced" level exam this year. Because classes are filled top-score down, **ATS strongly encourages all students to take the test every year.** ATS will accept your highest scores from the appropriate level of the exam, so there is no risk in retesting!

How much does the test cost?

There is a \$20 processing fee (payable to ATS on the day of the test), which covers the scoring of your exam and the mailing of your test results directly to your home. If you cannot afford the processing fee, ask your School Representative about a *Testing Fee Waiver*.

◆ About the ATS Qualifying Exam

The College Ability Test takes no more than 1 hour and 15 minutes – this includes instructions and two 20-minute sections (verbal and quantitative). Students take the multiple choice test appropriate for their grade; current 4th and 5th graders take the "intermediate" level, and current 6th–9th graders take the "advanced" level. Taking the test automatically qualifies you for ATS. The test is not "pass" or "fail," as it does not measure specific knowledge; rather, it measures your academic abilities.

• Verbal Section

The verbal section tests your knowledge of the meaning of words and your ability to identify relationships between pairs of words. You will be asked to find the pair of words that go together in the same way as the first two words.

Example

gym : exercise ::
 a) cafeteria : eat c) car : sit
 b) mall : sell d) auditorium : clap

Solution

To solve analogy questions, put the primary pair of words into a sentence which explains their relationship ("You go to a gym to exercise."). Next, substitute the answer choices into your sentence until you create a sentence that makes sense. The correct answer is A. "Gym" is related to "exercise" as "cafeteria" is related to "eat".

• Quantitative Section

The quantitative section tests how well you work with numbers. Each question has two parts (Column A and Column B). You must determine if the value presented in Column A is greater than the value presented in Column B, if the parts are equal, or if there is not enough information to decide.

Example

Column A
Value of 3 nickels and 1 dime

Column B
Value of 2 dimes and 1 nickel

- A if the part in Column A is greater
- B if the part in Column B is greater
- C if the two parts are equal
- D if not enough information is given for you to decide

Solution

The example is asking you to add. Since a nickel is 5 cents and a dime is 10 cents, in Column A, 5+5+5+10 is equal to 25. This is the same answer as 10+10+5 in Column B. Therefore, the answer to the question is C.

ATS Test Sign-Up Form for 4th through 9th graders
