Reminders from the Office

Kissick's Korner

Happy Fall Vencil Brown families!

As we move further into the school term, we find that many families have questions or need help from our teachers and school staff. We are always ready to help and are accustomed to being in communication with our families. Here are a few guidelines that will help us all be better communicators.

Your child's teacher is busy teaching every day. Those instructional minutes are precious to us and we work very hard to maximize our teaching/learning time. Every teacher has 24 hours to respond to emails or voice mails. Sometimes it is not possible to contact you during the school day, and the best time is after school. Learning is best when there is uninterrupted time in the classroom. The office will only interrupt the classroom in an emergency.

All of us lead busy lives. With the advent of new technology it is easy to reach out to anyone at any time. Please allow our teachers the allotted time to respond to your questions as we work together for the best education of your child.

Mark your calendars! Please come and join us for the

More from the Office

Thank You

A big thank you to the American Legion Auxiliary, Unit 169, Admiral Bonnie Butler, Rita Flynn, President Jean McGinnis and Julie Slater for donating the American flag and the California flag. They will be displayed proudly on the stage in den for all to admire. Thank you for your generosity.

A Touch of Understanding

Our mission : to encourage acceptance and respect for all individuals and to minimize the discrimination, bullying and misunderstanding experienced by children and adults who are perceived as different for any reason, but especially for those with disabilities.

A HUGE Thank You to our PTC for helping to bring this wonderful disability awareness program to Vencil Brown. This is a "hands-on" program that all of our 4th and 5th graders got to experience.

Students participated in a two-part program including hands on activity stations enabling them to experience and become more aware of some physical and mental disabilities.
