

Vencil Brown Elementary School
School Accountability Report Card
Reported Using Data from the 2019-2020 School Year
Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Vencil Brown Elementary School opened to Kindergarten through 6th grade students in the Fall of 1996. It now serves students in grades Transitional Kindergarten through Grade 5. The school is named after Mr. Vencil Brown, a long time teacher and youth sports activist in the City of Roseville. Vencil Brown Elementary is one of nineteen schools in the Roseville City School District. Staff members at Vencil Brown pride themselves on providing a child-centered environment in which the unique skills, talents, and needs of each student is recognized. The curriculum is academically challenging and includes a strong emphasis on community building and development of personal responsibility. Collaboration between school and home is well developed and ongoing.

The Mission of Vencil Brown Elementary School is to provide a safe and effective learning environment for all students while addressing their unique academic, social and emotional needs.

The Vision of Vencil Brown Elementary School is to be a collaborative community of staff, students, and parents who are:

- focused on lifelong learning
- goal oriented and success driven
- committed to high standards of academic achievement

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: 9/10/20

Roseville City Elementary held a public hearing on September 6, 2018 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

School Facility Conditions and Planned Improvements

General

The District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the Maintenance Office.

The following areas are reported upon:

Maintenance and Repairs: District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The District annually inspects wheelchair lifts, tests fire extinguishers, inspects and services all playground backboards, replaces bark on playgrounds and landscaping, and services HVAC units.

School Facility Good Repair Status:

Overall Summary School Facility Repair Status: Good

The inspection included a check of possible gas leaks, mechanical systems, interior and exterior doors and windows, interior surface areas, structural damage, electrical, playground equipment, and hazardous materials. In all areas this school passed inspection.

Cleaning Process and Schedule:

The District has adopted cleaning standards for all schools in the District. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Budget:

The District participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repairs or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. Since 2008-2009 the State has suspended the program due to State Budget Reductions. The District maintains its own program and parcels out funds for repairs according to school need.

School Facility Good Repair Status

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	62	N/A	53	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

The staff and students of Vencil Brown Elementary are grateful to the numerous parents who volunteer and/or coordinate activities on our campus. Parents are encouraged to play active roles in the education of students at Vencil Brown through involvement as classroom volunteers, Parent Teacher Club (PTC) members, Site Council members, English Language Advisory Committee (ELAC) members, members of the Positive Behavior Intervention and Supports (PBIS) committee, Art Docents, Science Docents, field trip guides, and through leadership of extra-curricular activities such as assisting with the school musical, Vencil Brown Choir and fund raising campaigns.

Our Parent Teacher Club (PTC) is a vital part of Brown's success and meets the second Tuesday of each month at 6:00 p.m. in the Brown staff room. The PTC coordinates parent volunteer opportunities for annual events such as the Fall Festival, Cookie Dough Fundraiser and the Jog-a-thon. These fundraisers support our additional technology purchases such as chrome books and installation of document cameras and Apple TVs in classrooms. The PTC has been able to raise approximately \$10,000 per year. In addition, Brown's PTC and the school staff, support no cost events such as the annual pancake breakfast and bi-monthly movie nights to help build the Brown community and allow families to get to know each other and the staff.

Over 90% of parents participate in Back-to-School Night, parent/teacher conferences, and Open House. Many parents call the Brown School Information Hotline (771-1715) or check teachers' websites or emails for information about homework assignments, classroom activities, upcoming events, and to contact staff. Additionally, weekly messages and updates are sent home via the Power School Messenger system, including email and text to keep parents up to date with school activities. These emails and texts help keep parents apprised of upcoming school events, opportunities for involvement, positive recognition of students and regularly scheduled meetings. The staff, students and community at Brown Elementary School are committed to the belief that the partnership between families and the school is instrumental to student success and that parent involvement on our campus is an essential piece of this partnership. All parents are welcomed and encouraged to participate and be involved at our school.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	2.1	1.4	3.2	2.4	3.5	3.5
Expulsions	0.0	0.0	0.1	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	1.0	1.3	
Expulsions	0	0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Over 95% of parents responding to our 2018-2019 Parent Survey agreed, “Brown School provides a safe and orderly environment for learning.” Safety drills which can include fire drills, intruder drills or lockdown drills occur on a monthly basis. The safety plan was most recently reviewed with the Brown staff in November of 2019 and with the Brown Site Council in January of 2020.

Key Elements of the Brown Safety Plan include procedures for lockdown drills, fire drills, and evacuation drills. The Roseville City School District has developed a Crisis Response Plan that outlines the procedures to be followed in the event of an emergency at a school site. The plan includes procedures for coordinating resources to respond to any emergency, including natural disasters, structural fires, environmental health issues, accidents, and intruders. The staff has been assigned roles and trained to work efficiently with each other and with other public service officers to ensure the safety of students and staff.

Vencil Brown’s safety plan is reviewed and updated by March 1st of each school year.

Types of Services Funded (Fiscal Year 2019-2020)

The staff and parents at Vencil Brown support the growth of all of our students, socially, emotionally and academically. Over the course of the past year, the School Site Council and other stakeholder groups such as ELAC, PTC and parent volunteers, have given input to the school regarding areas of need for their children. This has assisted with the school's participation in PBIS (Positive Behavior Interventions and Supports) to assist with character development and increasing good behavior of our students and training for teachers, as well as supporting intervention programs for students with academic needs. The teachers are highly trained to assist with teaching students who are not up to grade-level standards and the community supports the school by approving purchases of intervention programs, additional supportive technology and materials which benefit our students and help promote success for all.

In Summary, the types of services funded for the 2018-2019 school year were:

Positive Behavior Interventions and Supports training (trauma informed instruction)

I Ready (computer based reading and math intervention) and assessment for all third, fourth and fifth graders

AVID teaching strategies (Advancement Via Individual Determination)

Kate Kinsella's Vocabulary Program

Teacher and Administrative Salaries (Fiscal Year 2018-2019)

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	8	8	8

In alignment with the Roseville City School District board goals, the Professional Development Advisory Committee (PDAC) plan was developed to create a comprehensive three-year professional development plan for the District. Training is provided to administrators and teachers that align with this plan during four professional development days. In addition, the school sites are provided three additional professional development days to focus on school site goals.

Other areas of professional development at Vencil Brown are included as follows:

Various professional development programs offered through after school workshops, attending conferences, individual mentoring and collaboration through grade level Professional Learning Community activities. Teachers are supported by the collection of student performance data which is analyzed each trimester or more often, teacher observation and coaching, and teacher-principal meetings. Since teachers know their students needs the best, teachers often request specific areas for professional development at the site level. During the past year, teachers have received training in: I Ready for Instruction and diagnostic assessment, use of Google classrooms, use of classroom technology using chrome books, and Positive Behavior Interventions and Supports (PBIS) and AVID (Advancement Via Individual Determination) best practices for instruction.
