## Reminders from the Office

Dear Vencil Brown families,

It's that time of year where we start to do planning for the next school year. We pride ourselves on being the center of the neighborhood for our families and providing a great academic education and caring environment for your students.

On Thursday January 24 we will be having a fun, informative evening that will serve two purposes. First, families new to the Brown Community can come and meet our amazing kindergarten teachers, and get a sneak peek for their future Grizzlies. Second, we want to welcome ALL current Grizzly families to come and hear about Brown's AVID Elementary Program. We will meet in the Grizzly Den at 6:30.

We need your help. If you know families who have TK or kindergarten school-age children who are looking for a school with a great academic program and a student-centered, supportive community, please point them in our direction. We would love to meet them!

Current Grizzly students who attend with their family can enter a raffle to win free entrance to our next skate night! Refreshments will be provided.

We hope you can join us and help spread the word!

Sincerely,

Pam Kissick, Principal
